

YSTAD Saltsjöbad

Scandinavians Leading Resort

Welcome to the southern beauty Ystad Saltsjöbad, the first destination created by ESS Group. ESS Group is well known for producing memorable, stylish, and all-you-need hotel and resort destinations in Sweden, Norway, and Denmark. ESS Group has gained a positive reputation by prioritizing the guests and building personalized destinations where creating unforgettable experiences, well-thought-out food concepts, and quality stays is the focus.

Ystad saltsjöbad was completed in 2007. Placed just 50 minutes from Malmö and a little bit over an hour from Copenhagen. Ystad Saltsjöbad is situated on Sweden's most picturesque beach and draws inspiration from both the American East and West Coasts, offering a unique blend of styles. From the East Coast, Ystad Saltsjöbad incorporates elements like genuine painted wood and bright textiles. It captures the cozy charm found in places like Newport, Cape Cod, or Long Island, where you can sit by the fire and feel the warmth and comfort. From the West Coast, the resort channels the spirit of classic beach resorts in California. Here, you'll find sharper colors and a livelier ambiance with music, all while maintaining an unwavering commitment to style and tradition.

Ystad Saltsjöbad boasts a variety of culinary experiences, each with a passion for delivering exceptional food. Whether you're craving the flavors of Italy, the crispness of a Crème Brûlée from the Côte d'Azur, or the freshness of a perfect poké bowl from Hawaii, you'll find it all within 500 meters of each other. Gildas is their Italian Taverna and Port is the restaurant with a French American kitchen.

When it comes to wellness and spa, Ystad offers a dreamlike Pool Club named Lido, which serves as the heart of Ystad Saltsjöbad. Here, you can enjoy perfectly heated indoor and outdoor pools, soothing music, refreshing drinks, and the sun's warmth, even when the clouds appear. Immerse yourself in the Champagne pool, unwind in the sea-view sauna, or recline on a lounge bed in relaxation with a glass of bubbles, gazing out at the endless sea. The resort also offers a "Creek Spa ritual" inspired by the rainforest, providing a deep sense of relaxation and tranquility.

Let's not forget to mention "Villa Strandvägen". A house with seven rooms and its own restaurant in a turn-of-the-century setting is undoubtedly unique. The atmosphere is warm and cozy, coupled with elegance. An ideal choice for those looking to host a special event or enjoy a memorable experience.

As you depart, you'll already be looking forward to your next stay, whether as a leisure traveler or a conference guest. Ystad Saltsjöbad, often referred to as our Swedish Toscana, a place you'll want to experience again and again, in all its splendid forms. It's a destination that leaves an indelible mark and invites you back for more unforgettable moments.
